**ORDER:**

It is proposed to hold an inquiry against Sri E.S. Mohd. Iqbal the then Assistant Engineer, now V&QC, Kadapa in accordance with the procedure laid down in Rule 20 of the Andhra Pradesh Civil Services (Classification, Control and Appeal) Rules, 1991.

2. The substance of the imputations of misconduct or misbehaviour in respect of which the inquiry is proposed to be held is set out in the enclosed statement of articles of charges (Annexure-I). A list of documents by which and list of witnesses, by whom, the articles of charges are proposed to be sustained are also enclosed (Annexure-II and III).

3. Sri E.S. Mohd. Iqbal the then Assistant Engineer, now V&QC, Kadapa is directed to submit within ten (10) days of the receipt of this order, a written statement of his defence.

4. Sri E.S. Mohd. Iqbal the then Assistant Engineer, now V&QC, Kadapa is informed that an inquiry will be held only in respect of those articles of charge as are not admitted. He should, therefore, specifically admit or deny each article of charge.

5. Sri E.S. Mohd. Iqbal the then Assistant Engineer, now V&QC, Kadapa is further informed that if he does not submit his written statement of defence on or before the date specified in para 3 above or otherwise fails or refuses to comply with the provisions of rule 20 of Andhra Pradesh Civil Services (CCA) Rules, 1991 or the order/directions issued in pursuance of the said rules, the Inquiry Authority may hold the inquiry against him ex-parte, based on the material available on record.

6. Attention of Sri E.S. Mohd. Iqbal the then Assistant Engineer, now V&QC, Kadapa is invited to Rule 24 of the A.P. Civil Services (Conduct) Rules, 1964, under which no Government servant shall bring or attempt to bring any political or outside influence to bear upon any superior authority to further his interest in respect of matters pertaining to his service under the Government. If any representation is received on his behalf from another person in respect of any matter dealt with these proceedings it will be presumed that he is aware of such a representation and that it has been made at his instance and action will be taken against him for violation of rule 24 of the A.P. Civil Services (Conduct) Rules, 1964.

## ANNEXURE-I

### STATEMENT SHOWING THE ARTICLE OF CHARGE FRAMED AGAINST SRI E.S. MOHD. IQBAL THE THEN ASSISTANT ENGINEER, NOW V&QC, KADAPA

#### Charge -I

That Sri E.S.Mohd.Iqbal, the then Asst Engineer, RWS&S, has executed the substandard quality in construction of OHSR and deficient thickness of dome/ roof slab of OHSR.

#### BASIS:-

As per Appraisal report No.23(498/V&E/E2/2010, dt.6.3.2013 the G.A (V&E) reported that during the physical observation of OHSR revealed that stair case is damaged up to 1<sup>st</sup> brace level and spiral stair case circular column is not to plumb, leakage of water is observed all along the pumping main and the pipe line is exposed at many places due to quarrying of sand to a depth of 1m in the Papagni river bed near the village limits and non functioning of Air valves. Further they informed that the test results of the top dome of OHSR revealed that the average thickness of the slab is 75.33mm against the recorded measurement 100mm. The deficiency in the thickness of roof slab is about 25%.From this it is clearly shows that Sri.E.S.Mohd Iqbal A.E has recorded deficit the measurement due to which the expenditure incurred on the OHSR becomes defunct. From this it is evident that he has shown Gross Negligence towards his Legitimate Duties and failed in Supervision and violating Rule (3) of APCS (CC&A) Rules, 1964.

Hence the charge.

#### Charge II

That Sri.E.S.Mohd.Iqbal Shajahan, the then A.E Kadapa has executed the substandard quality of PVC Pipes instead of HDPE Pipes resulting non functioning of main.

#### BASIS:-

As per Appraisal report No.23(498/V&E/E2/2010, dt.6.3.2013 the G.A (V&E) reported that Sri.E.S.Mohd.iqbal, the then A.E has failed to execute 200m length of Pipeline with 90mm dia HDPE Pipes of 4 Kg/mm<sup>2</sup> though there is provision in the estimate but he has executed 48m length of PVC Pipes of 6 Kg/mm<sup>2</sup> due to which the pumping main is not functioning . Form this it is evident that he shows gross negligence while discharging his legitimate duties and supervision and violated Rule 3 of APCS (CC&A) Rules 1964.

Hence the charge.
